running going.....

Chorus

La, la, la, la.....

End

Notation:

h = hammer on

LYRICS:

She's gone and I'm gonna find her
(It's been so long)
Yeah, I'm gonna find her
She's gone away

When it goes away
I'll dig a hole x4

Wasted, and I'm out of patience
(It's been so long)
Yeah, I'm out of patience
She's gone away

Pain goes away
I dig a hole x2

When it goes away
I'll dig a hole x2

Runnin', goin' out at night
Friends they push and pull you
Burn out group poor flowers
Spinning, falling outta time
When it goes away
I'll dig a hole x4

(La-la-la-la ooh)
I'll dig a hole
(La-la-la-la ooh)
When it goes away
(La-la-la-la ooh)
I dig a hole
(La-la-la-la ooh)
Pain goes away
