

Sully Erna - Different Kind Of Tears

tom:

Locked... bedroom door, I sit, head in my hands
 Only these four walls understand
 This sort of emptiness holdin' the key
 I'm tryin' to breathe

[Refrão]

It's a different kind of hurt
 It's a different kind of lonely
 It's a deeper kind of pain
 Don't act like you know this
 'Cause what you don't see
 Is buried inside of me
 All these cries, always tryin' to disappear
 These are different kind of tears

[Segunda Parte]

Taught... a perfect life was one I'd never know
 Is it loneliness or bein' alone?
 Will this heaviness swallow my fight?

It just might

[Refrão]

It's a different kind of hurt
 It's a different kind of lonely
 It's a deeper kind of pain
 Don't act like you know this
 'Cause what you don't see
 Is buried inside of me
 All these cries, always tryin' to disappear
 These are different kind of tears

Yeah, yeah, Ahhh, Yeah

[Ponte]

It ain't easy, believin' in believin'
 It ain't easy, believin' in believin'
 It ain't easy, believin' in believin'
 It ain't easy, believen' in believen'

[Refrão]

Ooh it's a different kind of hurt
 (It ain't easy, believin' in believin')
 Yeah yeah, oh, it's a different kind of lonely
 (It ain't easy, believin' in believin')
 Yeah yeah, oh, It's a deeper kind of pain
 Don't act like you know this
 (It ain't easy, believin' in believin')
 All these cries, always tryin' to disappear

[Refrão]

It's a different kind of hurt
 It's a different kind of lonely
 It's a deeper kind of pain
 Don't act like you know this
 'Cause what you don't see
 Is buried inside of me
 All these cries, always tryin' to disappear
 These are different kind of tears
 Yeah yeah, ah ah
 Yeah
 These are different kind of tears
 Yeah yeah, ah ah, yeah
 These are different kind of tears
