

Sum 41 - Handle This Live

Tom: D

By: Roumen

Ok, i know this song has been tabbed and there are pretty good versions of it, but i wanted to perfect. it for those people out there who really want to play the song as the band does it, i made this tab by checking other versions of this song (thx to anyone who tabbed it before) and watching a live performance at Music Withour Borders, just look it up in Kazaa or whatever, the camera doesnt show much what theyre playing but it helped me in some parts, but this is how i play this song so im not saying its how they do it

btw this song rules
