Better off dead Lyrics: What happened to you Over my head You played the victim for so long now in this game What I thought was true

Is made of fiction and I'm following the same

But if I try to make sense of this mess I'm in I'm not sure where I should begin

Now I'm in over my head for something I said Completely misread I'm better off dead

And now I can see I think it could be This hypocrisy is beginning to get to me

It's none of my concern What is luck to me I don't believe in fame I guess you never heard I bet the makers they don't even know your name

But if I had to say goodbye to leave this hell $\bar{\mbox{\ }}$ I think my time has served me well

This came all before Those who suffer more I'm too awake for this to be a nightmare

What's with my disgrace I lost the human race No one left for this to blow up in you face

Who said it was so easy to put back all of these pieces Who said it was so easy to put back all of these pieces

Over my head

Better off dead
