Walking Disaster Lyrics:

Verse 1

I haven't been home for a while
I'm sure everything's the same
Mom and Dad still in denial
And only Jocz to take the blame
I'm sorry Mom but I don't miss you
Father there's no name you deserve
I'm just a kid with no ambition
Wouldn't come home for the world
I never know what I'd become
The King of all that's said and done
Never got inside?
The Cities buried in defeat

Waving goodbye to all

As I fall
As the dead and I begin
To bring a bridge of innocent
Satisfaction guaranteed
I'll kill away Catastrophe
I don't miss you just about
All Ambitions underground
A shallow grave I
Have dug all by myself

Pre-Chorus:

And I won't have been gone for so long
And I can't remember who's wrong
My Innocence is all gone
I pledge Allegiance to a world of disbelieve
Where I belong!

Chorus:

A walking Disaster
The son of a bastard
You regret you made me
It's too late to save me!

You regret you made me

It's too late to save me!

Vers 2:

And he said:
Far as I can tell
There are just voices in my head
Am I talking to myself
Cause I don't know what I've just said

And she said:

Far is where I fell
Maybe I'm better off dead
Am I at the end of nowhere
Where's this bastard as it gets

And I won't have been gone for so long
And I can't remember who's wrong
My Innocence is all gone
I pledge Allegiance to a world of disbelieve
Where I belong!
A walking Disaster
The son of a bastard
You regret you made me
It's too late to save me!

Bridge:

To save me, to save me?

Refrain:

And I won't have been gone for so long
And I can't remember who's wrong
My Innocence is all gone
I pledge Allegiance to a world of disbelieve
Where I belong!
A walking Disaster

The son of a bastard
You regret you made me
It's too late to save me!

Outro:
I will be home in a while
You don't have to say a word

I can't wait to see you smile
Wouldn't miss it for the world

I will be home in a while
You don't have to say a word
I can't wait to see you smile
Wouldn't miss it for the world
