

Sunrise Avenue - I Help You Hate Me

Tom: G

G
 I know you wanna see me falling out, falling out the window
C
 I know you wanna see me crashing down, crashing with my plane
Em
 Baby, I'm way to young to die
D
 But I'll help you get over me

Em **C** **G**
 I broke many hearts through out my days
Em **C** **G**

 This won't be easy on you now
Em **C** **G** **D** **Em**
