

Superfruit - Goodbye From Lonely

Tom: D

(forma dos acordes no tom de Db)

Capostrate na 1ª casa

Intro: C Em D G

[Primeira Parte]

You called me by my first name, for the first time
 Since the first time, that we met
 Didn't tell me goodnight, for the first time
 Since the first night you laid in my bed

[Pré-Refrão]

And it knocks me off my feet
 I'm coming apart and I can't breathe
 Oh, every part of me
 Was tethered to what we used to be

[Refrão]

I'm talking too much?
 I'm saying enough?
 Did you fall out of love?
 I wish that you'd told me
 What do I do?
 Have I run out of time?
 I'm one goodbye from lonely
 I'm one goodbye from lonely

[Segunda Parte]

Something about the last kiss felt so different
 Than the first kiss on my lips
 I can feel the distance in between us
 Like the old us doesn't exist

[Pré-Refrão]

And it knocks me off my feet

I'm coming apart and I can't breathe
 Oh, every part of me
 Was tethered to what we used to be

[Refrão]

I'm talking too much?
 I'm saying enough?
 Did you fall out of love?
 I wish that you'd told me
 What do I do?
 Have I run out of time?
 I'm one goodbye from lonely
 I'm one goodbye from lonely

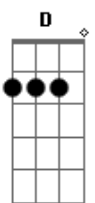

Ba ba ba bada bada ba ba
 Ba ba bada ba
 Ba ba ba bada bada ba ba
 Ba ba bada-a baaa

[Refrão]

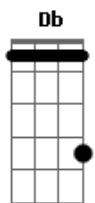

I'm talking too much?
 I'm saying enough?
 Did you fall out of love?
 I wish that you'd told me
 What do I do?
 Have I run out of time?
 I'm one goodbye from lonely
 I'm one goodbye from lonely

Ba ba ba bada bada ba ba
 Ba ba bada ba
 Ba ba ba bada bada ba ba
 (I'm one goodbye from lonely)
 Ba ba bada ba
