

# Supernatural - Fare Thee Well (God's Song)

Tom: G

If I had Wings, like Noah's Dove

I'd fly up the river, to the one I love

Fare the well, my honey, fare thee well.

The woman I love, is long and tall,

She moves her body like a cannon ball.

Fare thee well, oh honey, fare thee well.

Early one morning, it was drizzling rain

And in my heart I felt an aching pain.  
Fare thee well, oh honey, fare thee well.

Now one of these mornings, it won't be long  
You'll call my name, and I'll be gone  
Fare thee well, oh honey, fare thee well.

If I had wings, like Nora's dove,  
I'd fly the river to the one I love, ohh,  
Fare thee well, oh honey, fare thee well.
