

Supertramp - Don't Leave Me Now

Tom: **G**

(intro) **Em C D Bm Am**

Em
Dont leave me now
C **D** **Bm**
Leave me out in the pouring rain
C **Am**
With my back against the wall
D
Dont leave me now
Em
Dont leave me now
C **D** **Bm**
Leave me out with nowhere to go
C **Am**
And the shadows start to fall
D
Dont leave me now
(**Em C D Bm Am**)

Dont leave me now
Leave me out on this lonely road
As the wind begins to howl
Dont leave me now

Dont leave me now
All alone on this darkest night
Feeling old and cold and grey
Dont leave me now

Dont leave me now
Leave me holding an empty heart
As the curtain starts to fall
Dont leave me now

Dont leave me now
All alone in this crazy world
When Im old and cold and grey and time is gone...

(solo) **Em C D Bm Am**
