

Supertramp - Downstream

Tom: A

Dbm
 Took a boat Sunday
D
 Down by the sea
Dbm
 It just felt so nice
D
 You and me
Bm **Bm**
 We didn't have a problem
A **Dbm**
 Or a care on earth
Bm **Bm**
 And all around was silence
A **A7**
 Everywhere.

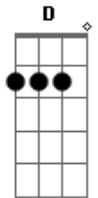

Dbm
 You are the reason
D
 I was born
Dbm
 To be with you through all seasons
D
 I'll always hear you when you call
Bm **Bm**
 We'll keep the love light shining
A **Dbm**
 Through each night and day
Bm **Bm**
 A lonely life behind me

A **Dbm**
 Oh what a change you've made.
Bm **Bm**
 So down here on the ocean
A **Dbm** **Gbm**
 We will stay, We will stay, we will stay.
Bm
 Been through a lot of changes
E7
 Turned a lot of pages
Dbm
 When I took a boat on Sunday.

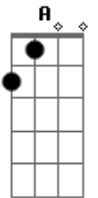

Piano Solo: **Dbm** **D** (repeat until end of solo)

Bm **Bm**
 To know you as I know you now
A **Dbm**
 That is all I need
Bm **Bm**
 And we will get along somehow
A **Dbm**
 If we both believe.
Bm **Bm**
 So down here on the ocean
A **Dbm** **Gbm**
 We will stay, we will stay, we will stay
Bm
 Been through a lot of changes
E7
 Turned a lot of pages
Dbm
 When I took a boat on Sunday.
