

# Supertramp - Easy Does it

Tom: D

Riff principal

D (riff)

And if my heart's had wings,

I'd be the bird that sings,

I'd fly where love isn't shy

And everyone is willing to try.

And if we had the time,

And time's so hard to find,

I can't believe what you say,

Start sending those shadows away,

And if you know who you are,

You are your own superstar,

And only you can shape the movie that you make,

So when the lights disappear;

And only the silence disappears,

Watch yourself; easy does it, easy while you wait.

And if you know who you are,

You are your own superstar

And only you can shape the music that you make.

So when the crowds disappear,

And only the silence is here

Watch yourself, easy does it, easy does it, easy while you wait.
