

Supertramp - Free As a Bird

Tom: B
Intro: Gb Db 2X

When a ^{Gb} spirit is broken,
Why go on
When there's ^{Db} nothing to say
And a ^{Gb} Love Just a token
It was strong
Now it's ^{Db} fading away
Ah but I'm free as a bird
As I walk right out that ^{Dbm} door
You have my ^B word
I won't ^{Ab} bother you no more
Yes I'm doing alright
^{Db} As I face the ^{Gb} lonely night

^{Gb} And our love it was over
One by one
How they ^{Db} drifted away
And the years they have fallen
It was strong
Now it's ^{Db} fading away
But now I'm free as a bird
As I walk right out that ^{Dbm} door
You have my ^B word
I won't ^{Ab} bother you no more
Yes I'm feeling OK
^{Db} As I face the brand new ^{Gb} day
^{Db}

As I face the brand new day

SOLO SAX - Gb Db 2X

You know
You know I'm free as a ^{Gb} bird
As I walk right out that ^{Dbm} door
You have my ^B word
I won't ^{Ab} bother you no more
Yes I'm doing alright
^{Db} As I face the ^{Gb} lonely night
^{Db} As I face the ^{Gb} lonely night

(até o final improviso alternando entre Gb, Gb7, Gb)

No more sorrows will I find
I've got tomorrow on my side
No more teardrops will I cry
Left my teardrops way behind

No more sorrows will I find
I've got tomorrow on my side
No more teardrops will I cry
Left my teardrops way behind

No more heartaches bother me
Don't wear my heartaches on my
Sleeve
It's gonna be a brand new story
What's the use of former glory
It's better not to do if you
can't do right
It's time to get to celebrating
After all the years of waiting
I'm gonna have a ball if it
takes all night
