

Supertramp - Hide in Your Shell

```
If I can help you, if I can help you
Intro: (faz junto do piano)
Bb - Gm - Dm - C - Eb - Cm - Ab - Eb
                                                               If I can help you, just let me know
Verso 1
                                                               Well, let me show you the nearest signpost
                           Dm
                                                               To get your heart back and on the road
Hide in your shell cos the world is out to bleed you for a
                                                                              Eb
                                                               If I can help you, if I can help you
What will you gain making your life a little longer?
                                                               If I can help you, just let me know
Verso 2
                                                               Repete intro com piano
                                                               Verso 3
                                                               All through...
Heaven or Hell, was the journey cold that gave your eyes of
                                                               Verso 4
                                                               I...as a ....
Shelter behind painting your mind and playing joker
                                                               (ambos como os anteriores)
Ponte 1
                                                               Ponte 2
(Too Frightening) to listen to a stranger
                                                               (Too frightening).....
(Too Beautiful) to put your pride in danger.....
                                                               (mesmos acordes)
(You're waiting for someone to understand you
                                                               Refrão
                                                               Intro: pro Refrão 2
But you've got demons in your closet (you've got demons in
your closet)
                                                               I wanna know, i wanna know.....
And you're screaming out to stop it (and you're screaming out
                                                               Let me near..
to stop it)
                                                               Well I'm hoping.....
                                                                                                               Bb
Saying life's begun to cheat you Friends are out to beat you
                                                                Fb
                                                               T know
Grab on to what you can scramble for
Refrão
                                                              Hold yourself .....
                                                               Refrão 2
Don't let the tears linger on inside now
                                                               Why don't ......
Cos it's sure time you gained control
                                                               (mesmos acordes do refrão 1)
