Intro: Bm D A Gbm

If golden hour was a flower, it'd look like you
Solar powered, sweet and sour and dressed in blue

A Gbm
A new need, turns a new leaf, yeah

Bm D
The less you see the more you know

A Gbm
The less you wait the more you grow

Bm D
A desert of desire, a drop could go for miles

A Gbm
So stand free with the same ease
