

Surfaces - Sunday Best

tom:
 Capostraste na 3ª casa

Feeling good, like I should
 Went and took a walk around the neighborhood
 Feeling blessed, never stressed
 Got that sunshine on my Sunday best

Every day can be a better day despite the challenge
 All you gotta do is leave it better than you found it
 It's gonna get difficult to stand but hold your balance
 I just say whatever 'cause there is no way around it 'cause

Everyone falls down sometimes
 But you just gotta know it'll all be fine
 It's ok, uh-huh
 It's ok, it's ok

Feeling good, like I should

Went and took a walk around the neighborhood
 Feeling blessed, never stressed
 Got that sunshine on my Sunday best

Somedays you wake up and nothing works you feel surrounded
 Gotta give your feet some gravity to get you grounded
 Keep good things inside your ears just like the waves and sound did
 And just say whatever cause there is no way around it

Everyone falls down sometimes
 But you just gotta know it'll all be fine
 It's ok, uh-huh
 It's ok, it's ok

Feeling good, like I should
 Went and took a walk around the neighborhood
 Feeling blessed, never stressed
 Got that sunshine on my Sunday best
