

# Suriel Hess - Good Thing

tom:

G

[Primeira Parte]

G

Wish I could stay here

D Can't deny I like the rush

Wish I could lay here

D But I'm afraid I'll take too much, and overdose

D Too much of you and you never know. Got my

G Lips blue, eyes closed. Mmmm

[Pré-Refrão]

G Every time you get too close I cover it up

D Wanna get to know you but I'm no good at love

G One hit at a time so it isn't too much, all too much

G Every time you get too close I cover it up

D Wanna get to know you but I'm no good at love

G One hit at a time so it isn't too much, all too much

[Refrão]

G Too much of a good thing, it might kill ya

D To know how much I've been feeling for ya

G It might feel like, all too much

G Too much of a good thing, it might kill ya

D To know how much I've been feeling for ya

G It might feel like, all too much

[Segunda Parte]

G Scared to admit it

D Got me wrapped up in your touch

Wish I could quit this

D Before we both take away too much, and overdose

G Too much of you and you never know. Got my

Lips blue, eyes closed. Mmmm

[Pré-Refrão]

G Every time you get too close I cover it up

D Wanna get to know you but I'm no good at love

G One hit at a time so it isn't too much, all too much

G Every time you get too close I cover it up

D Wanna get to know you but I'm no good at love

G One hit at a time so it isn't too much, all too much  
[Refrão]

G Too much of a good thing, it might kill ya

D To know how much I've been feeling for ya

G It might feel like, all too much

G Too much of a good thing, it might kill ya

D To know how much I've been feeling for ya

G It might feel like, all too much

[Ponte]

G What if, I like, like being wasted on you

D I'm scared, it might be all too much

(Too much of a good thing)

G What if, I like, like being wasted on you

D I'm scared, it might be all too much

[Refrão]

G Too much of a good thing, it might kill ya

D To know how much I've been feeling for ya

G It might feel like, all too much

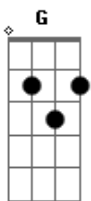

G Too much of a good thing, it might kill ya

D To know how much I've been feeling for ya

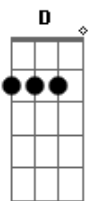

G It might feel like, all too much

Too much of a good thing!
