

Suriel Hess - Little Bit More

tom:

A

I know sometimes I'm slow to tell you
 It's no one else's fault but mine
 If you don't know by the way I hold you
 My heart has been yours this whole time

Ohh, I hope I show it
 Just in case you need to know

I fall in love with you a little bit more
 Little bit, little bit, little bit more
 Every time I think I've lost my way

I fall in love with you a little bit more
 Little bit, little bit, more than before
 Even on the days I'm not so sure

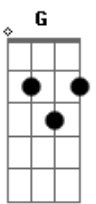

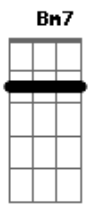

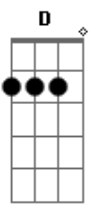

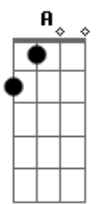

I fall in love with you a little bit more

Thought I knew
 Every little thing about you
 There's always more of you to learn
 You try your best to show your worst
 Baby you can rest assured

I'll always be here for you

Ohh, I hope I show it

I fall in love with you a little bit more
 Little bit, little bit, little bit more

 Little bit, little bit, more than before
 Even on the days I'm not so sure

I fall in love with you a little bit more
 More

Can't explain it and I don't know what to call it
 All I know is, I keep falling

I fall in love with you a little bit more
 Little bit, little bit, little bit more
 Every time I think I've lost my way

I fall in love with you a little bit more
 Little bit, little bit, more than before
 Even on the days I'm not so sure

I fall in love with you a little bit more
