

# Survivor - Ever Since The World Began

Tom: C

I'll never know what brought me here  
as if somebody led my hand.

It seems I hardly had to steer  
my course was planned.

And destiny, it guides us all;  
and by its hand we rise and fall

But only for a moment  
time enough to catch our breath again.

(refrão)

And we're just another piece of the puzzle,  
just another part of the plan.

How one life touches the other  
is so hard to understand.

Still we walk this road together.

We try and go as far as we can.

And we have waited for this moment in time  
ever since the world began.

Taken in the times gone by  
we wonder how it all began

We never know, and still we try to understand.

And even though the seasons change,  
the reasons shall remain the same.

It's love that keeps us holding on  
till we can see the sun again.

And we're just another piece of the puzzle,  
just another part of the plan.

And we have waited for this moment in time  
ever since the world began.

And I stand alone

a man of stone

Against the driving rain.

And the night, it's got your number  
and the wind, it cries your name.

And we search for clues,

win or lose,

in this we're all the same.

The hope still burns eternal',

we're the keeper of the flame.
