

# Survivor - The One That Really Matters

Tom: **G**  
Intro: **B**

**B** **G** **D**  
I know your mind like the back of my hand,  
**C**  
A race that I ran before.  
**Bm** **G** **D**  
Are you so blind that you'd turn your back,  
**C** **Em**  
On love and slam the door.  
**C** **B** **E**  
If you're searching for something more,  
**A** **C**  
You have a good time.  
**Em** **G** **D**  
But if you'd follow your heart,  
**D** **C**  
You're gonna find that I'm...

**G**  
The one, the one,  
**C** **D**  
The one that really matters,  
**C** **Em**  
The one that really cares,  
**C** **D**  
The one, when your whole world is shattered,  
**C**  
Snap your fingers and I'll be there.

**Bm** **G**  
There's someone new,  
**D**  
He's your brand new toy,  
**C**  
You could break that poor boy in two,  
**B** **G**  
If that's your style,  
**D**  
I should have known from the start,  
**C** **E**  
This heart wants no part of you,  
**C** **Em**  
But if you're still the same girl I knew,  
**C**  
All in good time,  
**Em** **C** **D**  
You're gonna follow your heart,  
**C**  
And you're gonna find I'm still...

**G**  
The one, the one,  
**C** **D**  
The one that really matters,  
**C** **Em**  
The one that really cares,  
**C** **D**  
The one, when your whole world is shattered,  
**C**  
Snap your fingers and I'll be there...
