The saddest girl in the world  
Fm Ab Fm

The saddest girl in the world  
G Cm

When you're not here

You're so far away

All I can feel is pain

I am afraid

And I, I'm going to cut my hair

?Cause you're not here

So you can't hear

The screamings that are coming

From my heart

I'm alone

By my own

I'm looking in the mirror

And I see my eyes

They show me what is in my mind

I can't deny

That my mind is driving me insane

I need to be sure

That you'll open the door

Ab G

To here me saying

( Cm Ab Eb G )  
( Cm Ab Eb G )

I am afraid

So I, I'm going to cut my hair

?Cause you're not here

I'm looking in the mirror

And I see my eyes

They show me what is in my mind

I can't deny

That my mind is driving me insane

I need to be sure

That you'll open the door
