

Susana Felix - Subtil

Tom: G

Bm
Toda a tua vida é um segredo,
Dm **C**
Guardado no silêncio dos teus passos,
Dm **C**
Discreto, misterioso e subtil,
Em **D** **C** **Ab**
Nos gestos, nas palavras, no olhar

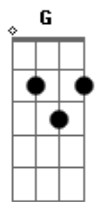

G **Cm** **Eb Ab**
Quem pode assim esconder de ti a alma?
G **Cm** **Bb Ab**
Quem pode recusar-te a confissão?
G **Em** **D** **C**
Da tua boca bebo a imensa calma
Em **C** **Em** (**Bm** **G**)

Que embala e adormece o coração

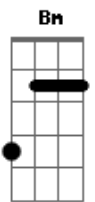

Bm **G**
Vagueias pela casa a horas mortas,
Dm **C**
Num bailado de sombras, quase ausente,
Dm **C** **G**
Teus olhos franquiando essas portas
Em **D** **C** **Ab**
Que se abrem sobre a vida da gente

G **Cm** **Eb Ab**
Quem pode assim esconder de ti a alma?
G **Cm** **Bb Ab**
Quem pode recusar-te a confissão?
G **Em** **D** **C**
Da tua boca bebo a imensa calma
Em **C** **Em**
Que embala e adormece o coração.
