

# Suzi Quatro - If Cant Give Me Love

tom:

A

Intro: D A

A  
Well, i've seen you before on the discoteque floor

Bm  
You were drivin' me out of my mind

D  
Oh, but i could have swore that i saw

A  
Somethin' more in you eyes

Although you were surrounded

By beauty unbounded

Bm  
Your glaces interded for me

D  
And though i tried to hide it

A  
I found myself lookin' to see

A  
So then you took your changes

You made your advances

Bm  
Your touch took my breath away

D  
But, when you said hello, are you ready to go

A E  
Weel, i had just one thing to say

Bm E  
If you can't give me love, honey

Bm E  
That ain't enough

Bm E A Gbm  
Let me go look for somebody else

Bm E  
If you can't give me feelings

Bm E  
With old fashioned meanings

Bm E A  
Just stay in love with yourself

A Gbm  
If you can't give me love, ah

Bm  
But honey, i ain't lookin' for that

D  
What i need is a man, not some

A  
So called aristocrat

A  
Oh, if only you'd waited, just hesitated

Bm  
Or maybe just asked me to dance

D  
But you really don't know

Why i don't wanna go

A E  
And baby, that's why we don't stand a chance
