

Svrcina - Who Are You?

Tom: C

Do you feel safe?
 Out in the light
 Or is this the place
 Where monsters hide?
 Aah Aah

You're not such an easy target
 One minute I know you, then I don't
 I know you, then I don't

Hello, who are you? Uhhh!
 Hello, who are you?
 Who are you?
 Hell oh, who are you? Uhhh!
 Hello, who are you?
 Who are you?

You can't escape

You can't outrun
 Your DNA
 What's in your blood
 Aah Aah

You're not such an easy target
 One minute I know you, then I don't
 I know you, then I don't

Hell OH, who are you? Uhhh!
 Hello, who are you?
 Who are you?
 Hell oh, who are you? Uhhh!
 Hello, who are you?
 Who are you?

Who are you?
 Who are you? Who are you?
 Who are you?
 Who are you? Who are you?
