(Em A)
 She got girls
 Girls all over the world
 She got men
 Every now and then
 But she can't make up her mind
 On just how to fill her time

But the only way she can wind **Ab**

 (Em A B)
 She's got some other women as well as me

(Em A)
 She's got phone
 But they call her bump
 She got sick
 You wanna see her dingaling
 Well let's be in it together
 I'll guess she'll be in it forever

You've got to take it now and ever **Ab**
