Switchfoot - Adding To The Noise

Tom: D
Intro: A D D A A B x4

Verse 1:
D
What's it gonna take
G
to slow us down
D G
to let the silence spin us around?
D
What's it gonna take
G
to drop this town?
D G
We've been spinning at the speed of sound.
D G
Stepping out of those convenience stores
D G
what could we want but more more more?
D
From the third world
G
to the corporate core
D G A D D A
we are a symphony of modern humanity,Yeah

Chorus:
A B A D D A
If we're adding to the noise
A D D A
turn off this song
A B A D D A
If we're adding to the noise
B A
turn off your stereo, radio, video

Verse 2:
I dont know
D G
what they're gonna think of next
D G
genetic engineers of the most high tech
D
A couple new ways
G
to fall into debt
D
I'm a nervous wreck but I'll bet
G
that that T.V. set
D G
tells us what we've wanted to hear
D
But none of these sound bites
G
are coming in clear
D G
From the third world to the corporate ear
D G
we are the symphony of modern humanity.
