

Switchfoot - Beautiful Letdown Solo

Tom: **A**

This is the guitar sub. for the bass played in this song...this tab is 100% enjoy this awesome tab for a awesome song.

Words and Music by Jonathan Foreman
Tabbed by Eric
Tuning: Standard (EADGBe)

This tab is really easy, just listen to the song very closely to figure the timing.
(Kybrd.) (Drums)

This is played where he sings "...myself alone, unknown and hurt..."

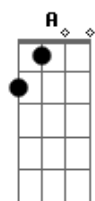

Then you play this which is the Bridge

Then this is the easy part, now you just have to play these 3 chords

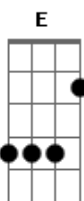

E	D2	F#m7add11
1	2	2

Thats it! This is a really easy song compared to there other songs...and plus its an song too...enjoy
