

Switchfoot - Burn Out Bright

Tom: **E**
Intro: guitar 1 (I don't exactly know how he plays this, because it sounds like he uses a pick, but here are the right notes)(if you want to, divide the two parts between two different guitars, it might sound better)

A spark ignites/in time and space/Limping through this human
race/You bite
and claw your way back home/but you're running the wrong
way/The future is
a question mark/of kerosene and electric sparks/There's still
fire in you
yet/Yeah there's still fire in you!
