

Switchfoot - C'mon C'mon

Tom: **D**

You've been living life like its a sequel **D**
 And you're already bored with the plot **G**
 As if the cast and the score are more money than before **D**
 But the script and the backdrops are stock **G**
 We've got the rest of our lives to regret **D**
 All the words that we've said here tonight but I'll bet **G**
 That the morning, in the morning **D**
 We'll find us in bloom **G**

So come on, come on, come on **D**
 Let's not be our parents **G**
 Oh, come on, come on, come on **D**
 Let's follow this through **G**
 Oh, come on, come on, come on **D**
 Everything's waiting **G**
 We will rise with the wings of the dawn **D**
 When everything's new **G**
 when everything's new **D** **G**

D
 Let us rise up like the summer sun
 Let these songs awaken the dawn **G**
 Let us breathe every breath, like a gift to be kept **D**
 Let us breathe it all in till it's gone **G**
 We've got the rest of our lives to live out **D**
 All these dreams we stayed up tonight talking about **G**
 In the morning, start hoping **D**
 Nothing too soon **G**

So come on, come on, come on **D**
 Let's abandon this darkness **G**
 Oh, come on, come on, come on **D**
 Let's follow this through **G**
 So come on, come on, come on **D**
 Everything's waiting **G**
 We'll be lit up like fire and gold **D**
 When everything's new, when everything's new **G** **D**
 When everything's new, when everything's new **G** **D**
 When everything's new, when everything's new **G** **D**
 When everything's new, when everything's new **G** **D**
