

# Switchfoot - Dark Horses

Tom: F  
Intro: 4x: Am C F Dm

I've made my mistakes  
I've seen my heart cave in  
I've got my scars  
And I've been to hell and back again  
Born for the blue skies  
We will survive the rain  
Born for the sunrise  
We will survive the pain

We're singing...  
Hey, you can't count us out  
We've been running up against the crowd  
Yeah, we're the Dark Horses

We're singing...  
Wait! It's not over now  
We've been down but we've never been out  
Yeah, we're the Dark Horses

We found a way out  
The city takes everything it can  
But outside the crowds  
I can feel my lungs again  
Born for the blue skies  
We'll survive the rain  
Born for the sunrise  
We'll survive the pain

We're singing...  
Hey, you can't count us out

We've been running up against the crowd  
Yeah, we're the Dark Horses

We're singing...  
Wait! It's not over now  
We've been down but we've never been out  
Yeah, we're the Dark Horses

We're singing...  
Yeah...

Born for the blue skies, yeah  
Born for the blue skies  
Born for the sunrise  
We'll survive the pain  
( Am C F Dm ) (2x)

We're singing...  
Hey, you can't count us out  
We've been running up against the crowd  
Yeah, we're the Dark Horses

We're singing...  
We don't care what they say  
We know we'll find a way  
Yeah, we're the Dark Horses

Yeah!

Keep running with the Dark Horses  
Hope makes the blood change courses  
Keep running with the Dark Horses  
Stand up for the Dark Horses  
Keep running with the Dark Horses  
Hope makes the blood change courses...

## Acordes
