

Switchfoot - I Won't Let You Go

Tom: E

Intro: E B E B

When it feels like surgery
 And it burns like third degree
 And you wonder what is it worth?
 When your insides breaking in
 And you feel that ache again
 And you wonder
 What's giving birth?
 If you could let the pain of the past go
 Of your soul
 None of this is in your control
 If you could only let your guard down
 You could learn to trust me somehow
 I swear, that I won't let you go
 If you could only let go your doubts
 If you could just believe in me now
 I swear, that I won't let you go
 I won't let you go
 (E B E B)
 When your fear is currency
 And you feel that urgency
 You want peace but there's war in your head
 Maybe that's where life is born
 When our façades are torn
 Pain gives birth to the promise ahead
 If you could let the pain of the past go

Of your soul
 None of this is in your control
 If you could only let your guard down
 You could learn to trust me somehow
 I swear, that I won't let you go
 If you could only let go your doubts
 If you could just believe in me now
 I swear, that I won't let you go
 I won't let you go
 I'll always be by your side Yeah
 If you could only let your guard down
 You could learn to trust me somehow
 I swear, that I won't let you go
 If you could only let go your doubts
 If you could just believe in me now
 I swear, that I won't let you go
 I won't let you go
 (I won't let you go)
 I won't let you go
 (I won't let you go)
 There ain't no darkness strong enough
 That could tear you out from my heart
 There ain't no strength that's strong enough
 That could tear this love apart
 Never gonna let you go
 Never gonna let you go
 No I won't let you go
