

# Switchfoot - Something More

Tom: A

Augustine Just woke up with a broken heart  
 All this time He's never been awake before  
 At thirty-one His whole world is a question mark  
 All this time He's never been awake before  
 Watching dreams that he once had  
 Feed the flame inside his head  
 In a quiet desperation of the emptiness he says?  
 Ab A B Db Eb E

D Db

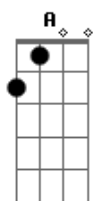

?There's got to be something more then what I'm living for I'm crying out to you?

(Mesmos acordes da primeira parte)

Augustine All his fears keep falling out  
 All this time He's never been awake before  
 Finding now His old dreams aren't panning out  
 All this time He's never been awake before  
 But he's mad to be alive And he's dying to be met  
 In a quiet desperation of the emptiness he says?  
 ?There's got to be something more than what I'm living for I'm crying out to you?

?Hey, I give it all away Nothing I was holding back remains  
 high E  
 Hey, I give it all away Looking for the grace of God today
