

# Switchfoot - Stars

Tom: D

Maybe I've been the problem  
 Maybe I'm the one to blame  
 But even when I turn it off and blame myself  
 The outcome feels the same

I've been thinkin' maybe I've been partly cloudy  
 Maybe I'm the chance of rain  
 And maybe I'm overcast and maybe  
 All my luck's washed down the drain

I've been thinkin' 'bout everyone, everyone you look so lonely  
 (REFRÃO)  
 But when I look at the stars,  
 When I look at the stars,  
 When I look at the stars  
 I see someone else

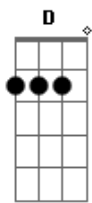

When I look at the stars, the stars  
 I feel like myself

Stars looking at our planet,  
 Watching entropy and pain  
 And maybe startin' to wonder  
 How the chaos in our lives could pass as sane  
 I've been thinkin' 'bout the meaning of resistance  
 Of a world beyond my own  
 And suddenly the infinite and penitent  
 Began to look like home

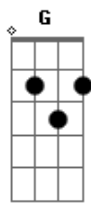

I've been thinkin' 'bout everyone, everyone you look so empty

REFRÃO:  
 Everyone, everyone you feel so lonely  
 Everyone, everyone you feel so empty
