

Syd Barrett - Dominoes

Tom: C

A7

It's an idea, someday
in my tears, my dreams

C

don't you want to see her proof?

Dm

Life that comes of no harm

Dm

you and I, you and I and dominoes, the day goes by...

A7

You and I in place
wasting time on dominoes

C

a day so dark, so warm
life that comes of no harm

Dm

you and I and dominoes, time goes by...

A7

Fireworks and heat, someday
hold a shell, a stick or play

C

overheard a lark today
losing when my mind's astray

Dm

don't you want to know with your pretty hair

Dm

stretch your hand, glad feel,
in an echo for your way.
