Tom: E
Intro: A B A7 G7 Gb7 AB E

Verses:

A
Honey, love ya,
Honey, little honey, funny, Sunday morning Bb
B
Love you more funny, Love in the skyline baby.
E
Ice cream, 'scuse me,
I've seen you looking good the other evening A E
Oh, you, dig it
Had to smile just an hour or so
Are we in love like I think we be?
It ain't a long rhyme, it took ages to think

I think I'll hurl it in the water, baby.

Repeat first verse

Flaking you are
A nice little one to put it all around
It's just good, I like it
Hey, hey, hey. Suppose some time that day
Whoopee, swing it on over across to me.

Repeat first verse

Good time rocker woman
Will stray, ah, pieces a little creepy
We shine so sleepy,
So whoopee
That's how you look

Repeat first verse
