

Syd Barrett - Milky Way

Tom: C

What'd you ever say today
 When you're in the milky way
 Oh tell me please
 Just to give you a squeeze
 If i met you i told you what to do
 Seems a while
 Since i could smile the way you do...
 How many times, if i try, if i may,
 When you're in the milky way
 Half of your time -beside me only atmosphere
 - the singular raised by heats and wet seems a while
 Since i could smile the way you do...

What can anyone mean to you
 Standing in the milky way
 Take life easy
 I mean so easy
 Why so empty...?
 I told you i can tell you
 What to do when i hold you
 And i tell you i love you
 I feel that i'm way you do...
 Give a grasp of life today
 When you're in the milky way
 Oh, try to please! ____ knock on wood of the trees
 Glad you, mould you, mould you and hold you
 Means five miles
 And everyway for you...
