

# Syd Barrett - Milky Way

Tom: C

What'd you ever say today  
 When you're in the milky way  
 Oh tell me please  
 Just to give you a squeeze  
 If i met you i told you what to do  
 Seems a while  
 Since i could smile the way you do...  
  
 How many times, if i try, if i may,  
 When you're in the milky way  
 Half of your time -beside me only atmosphere  
 - the singular raised by heats and wet seems a while  
 Since i could smile the way you do...

What can anyone mean to you  
 Standing in the milky way  
  
 Take life easy  
 I mean so easy  
 Why so empty...?  
 I told you i can tell you  
 What to do when i hold you  
 And i tell you i love you  
 I feel that i'm way you do...  
  
 Give a grasp of life today  
 When you're in the milky way  
 Oh, try to please! \_\_\_\_knock on wood of the trees  
 Glad you, mould you, mould you and hold you  
 Means five miles  
 And everyway for you...
