

# Symphony X - Without You

tom:  
Intro: <sup>D</sup> Em D Em D  
<sup>Em D G A</sup>

<sup>Em D Em</sup>  
Flying into the storm  
<sup>D Em D G A</sup>  
Hanging on a broken wing  
<sup>Em D Em</sup>  
Onto every life  
<sup>D Em D G A</sup>  
A little rain must fall  
<sup>Em D</sup>  
Oh, the words I sing  
<sup>Em D</sup>  
It's a greater thing  
<sup>Em D G A</sup>  
To have loved and lost  
<sup>Em D Em D</sup>  
Than to never, ever  
<sup>Em D G A</sup>  
Loved at all

<sup>C Em</sup>  
I've come undone  
<sup>D</sup>  
Oh, any fool can see  
<sup>A B</sup>  
What's become of me

<sup>C Em</sup>  
Sometimes I feel  
<sup>D</sup>  
Feels like there's nothing there  
<sup>A B</sup>  
Just an empty stare  
<sup>C Em</sup>  
Sometimes I feel  
<sup>D</sup>  
Feels like with each passing day  
<sup>A</sup>  
Life just slips away  
<sup>Bbm</sup>  
Without you

( B A B A )  
( B A G A )

<sup>B A B</sup>  
Drifting on the sea  
<sup>A B A G A</sup>  
A lonely ship without a sail  
<sup>B A B</sup>  
Sinking like a stone  
<sup>A B A G A</sup>  
Drowning in despair  
<sup>Em D</sup>  
Fighting tooth and nail  
<sup>Em D</sup>  
Mind the siren's wail  
<sup>Em D C D</sup>  
And here comes the night  
<sup>Em D Em D</sup>  
But the moment's gone without a warning  
<sup>Em D G A</sup>

Or without a prayer  
<sup>C Em</sup>  
I've come undone  
<sup>D</sup>  
Oh, fearing things unseen  
<sup>A B</sup>  
Can I mend this broken dream?  
<sup>C Em</sup>  
Sometimes I feel  
<sup>D</sup>  
Feels like there's nothing there  
<sup>A B</sup>  
Just an empty stare  
<sup>C Em</sup>  
Sometimes I feel  
<sup>D</sup>  
Feels like with each passing day  
<sup>A</sup>  
Life just slips away  
<sup>Bbm</sup>  
Without you

My destiny
