

System Of a Down - Atwa Live

Tom: **A**

v v

tuning is CGCFAD

solo part1

i saw this live footage on this one german channel, and i loved it n decided to tab the way Mr Malakian (hellz yeah) played ATWA live... cool

solo part2

verse1

quickly bend the string at almost every note here at solo part2, so the whole riff has a vibrating sound

v v v v v v v v v v v v v v v v v

at the end of the solo,

NOTE:
normally u just slide between the lower notes, but instead of the slides Daron just played the open notes

right before chorus

at this part Daron didnt strum, his right hand was at the back of his head, he was doing this weird dance(?), and he just pressed the strings down with his fretting hand

chorus

chorus again

verse2

v v v v v v v v v v v v v v v v

upstroke

chorus again

play this

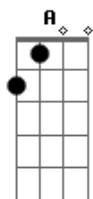

for the last time

v v

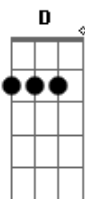

upstroke
last time (b4 solo)

very interesting n much fun...
