

System Of a Down - Goodbye Blue Sky (Show: Big Day Out)

Tom: **D** (good bye, blue sky ,good bye, blue sky good bye)
Intro:

10.000 years ago in mesopotamia

we are here

(good bye, blue sky ,good bye, blue sky good bye)

a new type of thinking was developed
one that involved...

to help guard this fuck place not destroy it for god sakes

(good bye, blue sky ,good bye, blue sky good bye)

totalitarian agriculture
and now...

i'm sick and tired of an equal globalism
(good bye, blue sky ,good bye, blue sky good bye)

good bye blue sky
good bye blue sky good bye

i'm sick and tired of facism

(good bye, blue sky ,good bye, blue sky good bye)

we fall in sleep as people as animals on this planet

i'm sick and tired of these psycho people!!!

(good bye, blue sky)

(good bye, blue sky ,good bye, blue sky good bye)

NO WAR!!!

we are here to nurture our planet
