

# System Of a Down - Know

Tom: C

Afinação(C,G,C,F,A,D )

wings trying  
to soar by being a whore of life and almost everything the  
sheep that ran  
off from the herd may be dead but now's a bird able to fly  
able to die able  
to break your cursed earth

You never think you know why,  
Know, You never think you know why,  
Know, You never think you know why,  
Know, Ever think you know why,  
Know.

On the other side, on the other side, the other side,  
Do you ever try to fly, Do you ever try to fly?  
Have you ever wanted to die, you ever want to die?

Don't ever try to fly, don't ever try to fly,  
Don't ever try to fly, unless you leave your body on the other  
side,  
Never try to die, you ever try to die.

Know, You never think you know why,  
Know, You never think you know why,  
Know, You never think you know why,  
Know, Ever think you know why, Know.

Letra:

Cursed Earth, Cursed Earth, Cursed Earth, Cursed Earth.

I will never feed off the evergreen luster of your heart all  
because we all live in the valley of the walls when we speak  
we can peak from the windows of their mouths to see the land  
the women chant as they fly up to the sun.

You never think you know why,  
Know, You never think you know why,  
Know, You never think you know why,  
Know, Ever think you know why,  
Know.

Watch them all fall down,  
Revolution, the only solution,  
The armed response of an entire nation,  
Revolution, the only solution,  
We've taken all your shit, now it's time for restitution.

The plan was mastered and called Genocide (Never want to see  
you around)  
Took all the children and then we died, (Never want to see you  
around)  
The few that remained were never found, (Never want to see you  
around)  
All in a system , Down

Books all say different things while people flap their yellow

## Acordes
