

# System Of a Down - X

Tom: **Bb**

Intro: (palm mute, gradually release)

MAIN RIFF:

VERSE: (palm mute during first half of verse, release second)

INTERLUDE:

PM. . . . .

Letra:

Tell the people,  
Tell the people that arrive,  
Tell the people,  
Tell the people that arrive,  
We don't need to multiply,  
We don't need to multiply,  
We don't need to multiply,  
We don't need to multiply,  
Die.

Show your people

Show your people how we died  
Show your people  
Show your people how we died,  
We don't need to nullify,  
We don't need to nullify,  
We don't need to nullify,  
We don't need to nullify  
No need to nullify,  
No need to nullify,  
No need to nullify,  
We don't need to nullify  
Die.

We don't need to,  
We don't need to,  
We don't need to,  
We don't need to.

Ask your people,  
Ask your people what is right,  
Ask your people,  
Ask your people what is right,  
We don't need to multiply,  
We don't need to multiply,  
We don't need to multiply,  
We don't need to multiply,  
We don't need to multiply,  
No need to multiply,  
No need to multiply,  
No need to multiply,  
We don't need to multiply.
