Tell the people, Tell the people that arrive, Tell the people, Tell the people that arrive, We don't need to multiply, Die.

Show your people

Acordes

Show your people Show your people how we died, We don't need to nullify, We don't need to nullify, We don't need to nullify, We don't need to nullify No need to nullify, No need to nullify, No need to nullify, We don't need to nullify Die. We don't need to, We don't need to, We don't need to, We don't need to. Ask your people, Ask your people what is right, Ask your people, Ask your people what is right, We don't need to multiply, No need to multiply, No need to multiply, No need to multiply, We don't need to multiply.

Show your people how we died
