

Tabson Kennedy - Enche-me Outra Vez

Tom: A

(com acordes na forma de
Capostrate na 2ª casa

Estás aqui pra tocar, pra ungir

Os sedentos por tua glória

Estás aqui pra erguer

Uma geração que há de ser

De pendente do Teu mover

E eu levanto minhas mãos

G)

Te entrego meu coração

Se mova através de mim

Enche-me outros vez

Toma-me outra vez

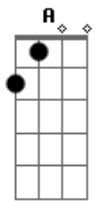

E leva-me ao centro do que vais fazer

Enche-me outra vez

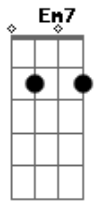

Toma-me outra vez

E acende um fogo que queima por Ti
