

# Tagore - 2012

Tom: G  
Intro: G C G C

Quando for <sup>G</sup>doze do <sup>C</sup>doze  
Do tal <sup>G</sup>dois mil e <sup>C</sup>doze  
Vou ligar <sup>F</sup>pro fim do mundo  
E dizer; <sup>G</sup>deixa de <sup>C</sup>pose!  
Porque quando a <sup>G</sup>luz se <sup>C</sup>apaga  
E o fogo <sup>G</sup>envolve o <sup>C</sup>vento  
O mundo <sup>F</sup>inteiro se <sup>G</sup>arrasta <sup>C</sup>

Pra beira do fim do tempo

<sup>Am</sup>E a rua inteira  
<sup>C</sup>E o mapa virou <sup>G</sup>pó  
<sup>Am</sup>E a mãe carbonizada <sup>C</sup>  
<sup>G</sup>Em um lençol  
<sup>Am</sup>E os pássaros <sup>C</sup>também  
<sup>G</sup>Voaram em <sup>Em</sup>vão  
<sup>Am</sup>E o cogumelo <sup>C</sup>ardeu  
<sup>G</sup>Meu coração
