

Takanashi Kiara - Mirage

tom:
Intro: Bm Em A D Em G Gb Gb

[Primeira Parte]

Bm Em
Mirror's reflection, going under
A D
Confused obsession, I still wonder
Em7 G Gb
If I was made for you, if I could only see
Gb
Oh, please, oh

Bm Em
Make me up, a new persona calculated
A D
Perfectly for you, pretending like it's all just
Em7 G
For me? Don't think so, live life incognito
Gb
Oh, I-I-I play god and yet I'm asking why

[Pré-Refrão]

Bm Em
You never see what I want, what I need
A
Oh, do you? (No, no)
D
Oh, do you? (No, woah-oh)
Em7 G Gb
Follow through light, you pursue, but now

[Refrão]

Bm Em A
You sold me on a mirage, I tore you up into shreds
D
I don't even know what to do with this mess
Em7 G
Tell me the cost, sit, be good
Gb
Play your part, my mirage (My mirage)

[Segunda Parte]

Bm Em A
Living with regrets, told ya I'd do anything, better left
D
unsaid
G Em Gb
Thought I'd be the king and queen of newfound paradise
Gb
I'm beggin' you to see, I'm you, you're all of me

Bm
It seems like everyone wants it
Em A
All around and 'round, running 'round and 'round, on and on
D
This cycle keepin' me captive, escape my way
Em7 G
You say I'm way too fragile and I'm just your perfect idol
Gb
Break me, shape me, I
