

Takanashi Kiara - Mirage

tom:

Intro: **Bm** **Em** **A** **D** **Em** **G** **Gb** **Gb**

[Primeira Parte]

Bm **Em**
Mirror's reflection, going under
A **D**
Confused obsession, I still wonder
Em **G** **Gb**
If I was made for you, if I could only see
Gb
Oh, please, oh

Bm **Em**
Make me up, a new persona calculated
A **D**
Perfectly for you, pretending like it's all just
Em **G**
For me? Don't think so, live life incognito
Gb
Oh, I-I-I play god and yet I'm asking why

[Pré-Refrão]

Bm **Em**
You never see what I want, what I need
A
Oh, do you? (No, no)
D
Oh, do you? (No, woah-oh)
Em **G** **Gb**
Follow through light, you pursue, but now

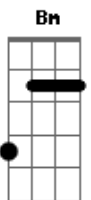

[Refrão]

Bm **Em** **A**
You sold me on a mirage, I tore you up into shreds
D
I don't even know what to do with this mess
Em **G**
Tell me the cost, sit, be good
Gb
Play your part, my mirage (My mirage)

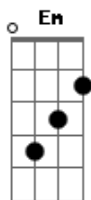

[Segunda Parte]

Bm **Em** **A**
D
Living with regrets, told ya I'd do anything, better left
unsaid
G **Em** **Gb**
Thought I'd be the king and queen of newfound paradise
Gb
I'm beggin' you to see, I'm you, you're all of me
Bm
It seems like everyone wants it
Em **A**
All around and 'round, running 'round and 'round, on and on
D
This cycle keepin' me captive, escape my way
Em **G**
You say I'm way too fragile and I'm just your perfect idol
Gb
Break me, shape me, I
