

Take That - Rule The World

Tom: D

Verso 1:

You light the skies up above me
 A star so bright, you blind me, yeah-i yeah
 Don't close your eyes
 Don't fade away
 Don't fade away, Ohhhhh

Yeah, you and me, we can ride on a star
 If you stay with me, girl
 We can rule the world
 Yeah, you and me, we can light up the sky
 If you stay by my side
 We can rule the world

Verso 2:

If walls break down I will comfort you
 If angels cry, oh I'll be there for you
 You've saved my soul
 Don't leave me now
 Don't leave me now, Ohhhhh

Yeah, you and me, we can ride on a star
 If you stay with me, girl
 We can rule the world
 Yeah, you and me, we can light up the sky
 If you stay by my side

We can rule the world

Instrumental:

D Bm Gbm G A

Ponte:

All the stars are coming out tonight
 They're lighting up the sky tonight for you, for you
 All the stars are coming out tonight
 They're lighting up the sky tonight for you, for you, Ohhhhhh

Yeah, you and me, we can ride on a star
 If you stay with me, girl
 We can rule the world
 Yeah, you and me, we can light up the sky
 If you stay by my side
 We can rule the world

Ponte:

All the stars are coming out tonight
 They're lighting up the sky tonight for you, for you
 All the stars are coming out tonight
 They're lighting up the sky tonight for you, for you
 All the stars are coming out tonight
 They're lighting up the sky tonight for you, for you
 All the stars are coming out tonight
 They're lighting up the sky tonight for you, for you
