

Take That - Standing At The Edge Of Forever

Tom: C

C F
 Standing, on the edge of forever
 Am
 At the start of whatever
 Em
 Shouting love at the world
 C F
 Back then, we were like cavemen
 Am
 But we met the moon and the stars
 Em
 Then we forgave them
 Dm F
 We will meet you where the lights are
 Am Em
 The defenders, of the faith we are
 Dm
 Where the thunder turns around
 F Am
 They'll run so hard we'll tear the ground away
 Dm A
 You know no one dies
 Dm A
 In these love drowned eyes
 Dm A
 Through our love drowned eyes
 E E
 We'll watch you sleep tonight
 F C
 Although no one understood
 Am
 We were holding back the flood
 Em
 Learning how to dance the rain
 F C
 We were holding back the flood
 G
 They said we'd never dance again
 C F
 Bleeding, but none of us leaving
 Am
 Watch your mouth son
 Em
 Or you'll find yourself floating home
 Dm F
 Here we come now on a dark star
 Am Em
 Seeing demons, not what we are
 Dm
 Tiny minds and eager hands
 F Am

Will try to strike but now will end today

Dm A
 There's progress now
 Dm A
 Where there once was none
 Dm A
 Where there once was none
 E E
 Then everything came along
 F C
 Although no one understood
 Am
 We were holding back the flood
 Em
 Learning how to dance the rain
 F C
 There was more of them than us
 G
 Now they'll never dance again
 F C
 Although no one understood
 Am
 There was more of them than us
 Em
 Learning how to dance the rain
 F C
 We were holding back the flood
 G
 They said we'd never dance again
 Dm F
 We will meet you where the lights are,
 Am Em
 The defenders, of the faith we are
 Dm
 Where the thunder turns around
 F Am
 They'll run so hard we'll tear the ground away
