

Tala Coala - Astronaut

tom:

A - In the vastitude of the universe
 Floating deep space in a ball of dirt
 We all just want them simple answers
 For all those not so simple questions
 In my little spaceship and my
 Astronaut suit
 Only about 70 or 80 years to explore

B - Well, I chose a direction to go
 Not knowing what I'll find
 If anything at all

C - I left the safety of the harbour
 Afraid of monsters and of sea storms
 I'll find the answers that I'm looking for
 Or I'll die trying on the ocean floor

D - Suddenly I'm in deep sea
 All them questions fell so far away
 Far away on the shore
 Far away on the shore

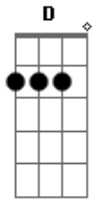

E - No words could ever express
 What it feels like to be
 In the midst of this love
 In the midst of the love
 Between the Father and the Son

F - And I'm just afraid of ruining it
 I'm just afraid of doing something
 That would take me away from this
 Away from this revelation
 Away from this exploration

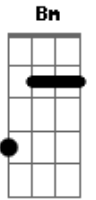

G - 'Cuz like an astronaut
 I'm out of my mind
 I'm part of the body of Christ

H - I left the safety of the harbour
 Afraid of monsters and of sea storms
 I'll find the answers that I'm looking for
 Or I'll die trying on the ocean floor
