

Talking Angela - Shine Together

tom:

D

There were times when life got me down
 I tried to stand but go to pushed around
 You came by and go me off the ground
 I'm on my feet again, yeah
 You call me up when
 I need to talk always there for me
 Round the clock and when
 I'm with you we're dancing and laughing
 And feeling the groove
 We could chill at home
 Just talk on the phone or go out instead
 Dressed up in our way seizing every day
 'Cause we got the moves we're dancing and laughing
 It's just me you for ever and ever

You and me
 We always shine together

We could be
 Best friends for ever and ever

You and me
 We always shine together

We could do whatever always shine together shine on
 It doesn't matter where we are
 It doesn't matter what we do
 I can always count on you to get me up and on
 My feet again 'cause you're the one who understands

So turn up your light our future is bright let's dance
 Through the night and keep dancing for ever and ever
 No one can stop our flow first we glimmer and then
 We glow we're like starlight
 We shine bright oh for ever and ever

You and me
 We always shine together

We could be
 Best friends for ever and ever

You and me
 We always shine together

We could do whatever always shine together shine on
 (D A Bm G)

It doesn't matter where we are
 We're always shining like we're stars

You and me
 We always shine together

We could be
 Best friends for ever and ever

You and me
 We always shine together

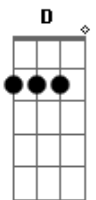

We could do whatever always shine for ever and ever

You and me
 Let's shine together

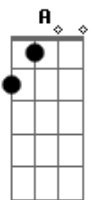

You and me
 Best friends forever

You and me
 Friends shine together best friends forever
 Won't you come shine with me
